✿ The United Nations has declared 2022 'International Year of Artisanal Fisheries and Aquaculture'. In Hex this will be translated into information on aquaponia and the water requirements of plants. 2022 is also the year of the beech (*Fagus*), blackbird, and glass; additional themes in Hex will include biodiversity, bees, soil, etc.

✿ Launch of:
- *Vegetables* by Martyn Rix and Roger Phillips, ed. Pan Macmillan introduction by Peter Bauwens
- *In de moestuin met Wim Lybaert*, ed. Manteau
- *Voedselbosrand*, by Madelon Oostwoud, ed. KNNV-uitg. + dedications

✿ Exhibitions:
• *Chickpeas*: by Peter Bauwens (de nieuwe tuin)
• *Meet your greens*: pictures of vegetables
• *De Tuinen van Weldadigheid*: 40 varieties of potato, 40 var. of garlic, seed of 60 var. of legumes (both for sale)

✿ Plants with an AGM (Award of Garden Merit) by RHS = or a +, ++, or +++ by Staudensichtung, at Crea Flora, Devriese-Luyssen, FDN Böttcher, Green Globe, Groenstraat 13, Nijssen Bulbs and others
Roses of the year, Roses of Excellence, at Lens Roses

✿ Workshops, demonstrations, talks on:
• *aquaponia*, by AquaponieBxl, by Ecogarden Design
• *the water requirements of plants*, by Crea Flora, Cruydt-hoeck, EcogardenDesign, FDN Böttcher, Groenstraat 13, Silene, and many others
- *delicious salty vegetables*, MergenMetz, in relation to the book 'Zilt' by Annette van Ruitenburch
- *mushrooms*, by Groene Takken
- *prairieplants*, by Groenstraat 13
- *oayas*, by Eco Garden Design, Futur Envie
• *walk along the rosehips*, with explanation about watering roses, by Lens Roses
- *rosehips*: syrups, sugar, salt, breadcrumbs, powder, by Kruidjes
• *biodiversity*, by EcogardenDesign, Planterij Groenstr. 13
- *building a living soil*, by Humus
• *bees and bee plants*, by FDN Böttcher, Planterij Groenstraat 13
- *beeswax storage wipes*, by Kruidjes
- *the special relationships between bees, insects and plants*, by Cruydt-Hoeck
• *bouquets*, demonstration by Silene
• *seeds and seedlings*, by Silene/ Cycle en Terre, Kweek, Tuinen van Weldadigheid, Vita Verde
- *from sowing to harvesting and how to prevent diseases and pests* by Vita Verde
• *virtue & vice of Laurus*, by Devriese-Luyssen
• *bronze garden tools: tips on maintenance, bring your own secateurs*, by Kopersporen
• *methods of grafting plants, bring your own branch*, by Ward van Teylingen
• *shrubs and trees for birds*, by Green Area
• *glass in many shapes*, by Italiaans servies, Devriese-Luyssen
• *'pomanders' made of bee- or soyawax*, by Kruidjes
• *making wooden spoons*, by Atelier Jamaer
